Independent Auditor's Report

To the Members of Landmarc Leisure Corporation Limited

Report on the Audit of the Financial Statements

Qualified Opinion

We have audited the financial statements of **Landmarc Leisure Corporation Limited** ("the Company"), which comprise the Balance Sheet as at 31st March 2022, the Statement of Profit and Loss (including other Comprehensive Income), the Statement of Changes in Equity) and the Statement of Cash Flows for the year ended on that date, and notes to the Financial Statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the effect of the matters described in the Basis of Qualified Section of our report, the aforesaid financial statements give the information required by the Companies Act 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the India Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules 2015, as amended, ("Ind As") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, the loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Our Qualified Opinion

- (i) Refer Note No. 32 a. to the financial statement regarding non-provision for doubtful Security deposit given by the Company and non-availability of confirmation, as the said Company has gone into Liquidation and liquidator has been appointed amounting to Rs. 1500 Lacs, having consequential impact on the Loss for the year, Deposits and Provisions to the said extent.
- (ii) Refer Note No. 31 to the financial statement regarding non reorganization of interest income on security deposit given to two parties as mutually agreed with both the body corporate amounting to Rs 295.52 Lakhs and total interest income not recognized since the time the said security deposit has been given by the Company amounting to Rs 4824.28 Lakhs. Further, the Company has not provided for rentals payable to the said company amounting to Rs.302.30 Lakhs for the year and total rental not provided till date is Rs 1192.64 Lakhs for the premises being used in lieu of the un-received interest income, having consequential impact on the Interest income, Rental expenses, Loss and Deposit to the said extent.
- (iii) Refer Note no. 33 to the financial statement that the Company has during the quarter and year ended has not carried out Actuarial valuation as per the recommendations of Ind AS 15 "Employee Benefits" issued by the Institute of Chartered Accountants of India and instead provided for Gratuity on accrual basis as per Management Estimates. The amount of shortfall in such provision is currently unascertainable since the Actuarial Valuation was not carried out. However, the management is of the opinion that the provision created in the books is sufficient considering the number of employees.

- (iv) Refer Note no. 32 b. to the financial statement that the Company regarding no provision has been made towards doubtful recovery considered by us of pro rata security deposit (interest free) amounting Rs 1,218.28 Lakhs representing deposit given against unutilized vacant space forming part of the total deposit given by the Company in terms of the agreement having year-end balance of Rs 2,218.28 Lakhs, which is higher than space occupied by the Company, the management has also evaluated the deposit for the space occupied by them which should be approximately 1,000 Lakhs, thereby non provision against the excess deposit is having consequential impact on the Loss for the year which has been understated and Deposits which has been overstated to the extent of Rs. 1,218.28 Lakhs.
- (v) Refer Note no. 48 to the financial statement of the Company regarding the Company has booked 50.81 tax invoice for films under development for payments made in earlier years for which adequate supporting to invoice are not available thereby having consequential impact of such on Capital work in progress and Advance to vendors is presently unascertainable in absence of Tax invoice.
- (vi) Refer Note no. 60 to the financial statement of the Company regarding the Company which states that the Company has given Interest-free Loans to two parties for amounting to Rs 268.34 Lacs for which term sheet and other documents are in process of regularization thereby having consequential impact on Loss of the Company and Loans to the above extent

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (CAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics issued by the ICAI. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Emphasis of Matter

- 1) Refer Note no. 47 to the financial statement of the Company which states that SEBI had passed a Confirmatory Order dated June 05, 2018 confirming the Interim Order whereby the directions issued by Bombay Stock Exchange (BSE) dated December 22, 2017 to the Company for conducting Forensic Audit was to be considered. However, the Company has filed an appeal to the Hon'ble Securities Appellate Tribunal (SAT) on July 26, 2018 in this regard. In the hearings carried on October 11, 2018, SAT has rejected the request for stay on the forensic audit & directed to co-operate with the Forensic Auditor appointed by BSE on 22.12.2017. The Company has provided some details to the Forensic Auditor and further working on the requirements given by Forensic Auditor. The Company had a hearing before SAT on 08.02.2019 and the matter stands over to next hearing dated 12.03.2019 in which the Company and SEBI are directed to bring out the latest position relating to the ongoing forensic audit.

Further, in the hearing dated 25.04.2019, an undertaking was given by BSE officials that the Forensic Audit Report will be issued before 15.06.2019. The Company has not received any further communication from the BSE on the said matter nor received any aforesaid report. The Company, its current and then director, and KMPS have received a Notice from SEBI regarding the details furnished by Forensic Auditor to SEBI on 17.02.2020, the Company has request extension of time to reply to the said notice and have appointed a legal counsel to respond on it. Further a response was filed by the Legal Counsel and a hearing was fixed for 9th December'2020 with SEBI which was attended by Officials of the Company. The Company had filed Settlement Scheme with SEBI for which the final order has been granted by SEBI dated 20th January 2022 by virtue of the said order the Company and all the Key Management personal are liable to pay penalty aggregating to Rs 54.25 Lakhs within 45 days from the date of the order. Further, the Company and its KMP demat account has also been freeze for trading for a period of one year.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have nit determined the following matter to be the Key audit matter to be communicated in our Report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard expect that stated in Basis of Qualified Opinion and Emphasis of Matter above.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act, with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total Comprehensive Income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As a part of an audit in accordance with the SAs, we exercise professional judgment and maintain professional scepticism throughout the Audit.

We also:

- Identify and assess the risk of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis of our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing an opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters.

We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of accounts.
- d) Except for the effects of the matter described in the Basis for Qualified Opinion paragraph above, in our opinion, the aforesaid financial statements comply with the Ind As specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) The qualification relating to the maintenance of accounts and other matters connected therewith are as stated in the Basis for Qualified Opinion paragraph above.
- f) On the basis of the written representations received from the Directors as on 31st March, 2022 taken on record by the Board of Directors, none of the Directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
- g) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “**Annexure B**”. Our report expresses an modified opinion on the adequacy and operating effectiveness of the Company’s internal financial controls over financial reporting.
- h) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of Section 197(6) of the Act, as amended Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements.
 - ii. The Company does not have long-term contracts including derivative contracts requiring provision for material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv. (a) Management has represented to us that, to the best of it’s knowledge and belief, other than as disclosed in the notes to the accounts no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (b) Management has represented to us that, to the best of it's knowledge and belief, other than as disclosed in the notes to the accounts no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries
 - (c) Based on our audit procedure conducted that are considered reasonable and appropriate in the circumstances, nothing has come to our attention that cause us to believe that the representation given by the management under paragraph (2) (h) (iv) (a) & (b) contain any material misstatement.
- v. The Company has not declared or paid any dividend during the year and has not proposed final dividend for the year.

In terms of the information and explanations given to us and the books and records examined by us and on the basis of such checks as we considered appropriate, we further report as under:

1. Fixed Assets

- a. The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
- b. The Company has a program of physical verification of Property, Plant and Equipment so to cover all the assets once every three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain Property, Plant and Equipment were due for verification during the year and were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
- c. The Company does not own any immovable properties. Therefore, paragraph 3(i)(c) of the order is not applicable to the Company.
- d. According to information and explanations given to us and books of accounts and records examined by us, the Company has not revalued its Property, Plant and Equipment and does not have any intangible assets and right of use assets.
- e. According to information & explanations given to us by the management, no proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 and rules made thereunder.

2. Inventory

- a. The Company does not have any Inventory. Therefore, paragraph 3(ii)(a) of the order is not applicable to the Company.
- b. As per the information and explanations given to us, the Company has not been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets. Therefore, Paragraph 3(ii)(b) of the Order is not applicable to the Company.

3. Loans

With respect to investments made in or any guarantee or security provided or any loans or advances in the nature of loans, secured or unsecured, granted during the year by the Company to companies, firms, Limited Liability Partnerships or any other parties:

- a) As per the information and explanations given to us and books of accounts and records examined by us, during the year Company has not provided any guarantee or security and has not granted any advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other entities. With respect to loans granted during the year:

- A. The Company does not have any subsidiary, joint venture or associate. Therefore, paragraph 3(iii)(a)(A) of the order is not applicable to the Company.
- B. Loan of Rs. 2.68 Lakhs has been granted to two companies during the year and balance outstanding as at balance sheet date with respect to such loans is Rs. 268.34 Lakhs.

- c. As represented to us by the management, there are no whistle blower complaints received by the Company during the year.

12. **Nidhi Companies**

In our opinion and according to the information and explanations given to us, the Company is not a Nidhi company. Therefore, paragraph 3(xii) (a), (b) and (c) of the Order is not applicable to the Company.

13. **Related Party Transactions**

As per the information and explanations given during the course of our verification, in our opinion, all transactions with the related parties made by the Company were in compliance with Sections 177 and 188 of the Act, to the extent applicable to the Company during the year. The relevant details in respect of the same have been appropriately disclosed as per the requirements of the Indian Accounting Standards (Ind AS)-24.

14. **Internal Audit**

- a. In our opinion and based on our examination, the Company does have an internal audit system however it needs to be strengthened as it does not fully commensurate with the size and nature of its business.
- b. We have considered reports of the Internal Auditors report for the period under audit as available with the Company.

15. **Non-cash Transactions with Directors, etc.**

According to the information and explanations given to us, in our opinion during the year the Company has not entered into any non-cash transactions with its directors or persons connected with him as referred to in section 192 of the Companies Act, 2013. Therefore, paragraph 3(xv) of the order is not applicable to the Company.

16. **Provisions of 45-IA of the Reserve Bank of India Act,1934**

As per the information and explanations provided to us and based on the overall operations of the Company, during the year, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act 1934 and hence clause 16 a to c are not applicable to the Company.

17. **Cash Losses**

According to the information and explanations provided to us, the Company has incurred cash losses in the current financial year as well the immediately preceding financial year amounting to Rs 135.83 Lakhs and Rs 73.81 Lakhs respectively.

18. **Resignation of the statutory auditors**

There has been no resignation of the statutory auditors during the year. Therefore, paragraph 3(xviii) of the order is not applicable to the Company.

19. **Financial Indicators**

According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.

20. **Corporate Social Responsibility**

The provisions of Section 135 read with Schedule VII to the Companies Act, 2013 in respect of Corporate Social Responsibility contribution are not applicable to the Company. Therefore, paragraph 3(xx) (a) and (b) of the Order are not applicable to the Company.

21. **Consolidated Financial Statement**

The Company does not have any Subsidiary, Associate and Joint Venture company. Hence, provisions of Section 129 (3) and (4) of the Companies Act, 2013 in respect of preparation of consolidated financial statement are not applicable to the Company. Therefore, paragraph 3(xxi) of the Order is not applicable to the Company.

Annexure B to the Independent Auditor's Report of even date on the financial statement of the Landmarc Leisure Corporation Limited

Report on the Internal Financial Controls under Section 143(3)(i) of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Landmarc Leisure Corporation Limited** ("the Company") as of 31st March, 2022 in conjunction with our audit of the financial statements of the Company comprising of the Balance Sheet as at March 31st, 2022, the Statement of Profit and Loss and the Cash Flow Statement for the period then ended.

Management's Responsibility for Internal Financial Controls:

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (the ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility:

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting and the Standards on Auditing, issued by the ICAI deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those standards and the Guidance Note that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting:

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting:

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion:

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31st, 2022, Subject to Loans, Other Financial Asset and Expenses and its documentation based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Landmarc Leisure Corporation Limited

Note 1: Significant Accounting Policies and Notes on Accounts –31st March 2022

1. Significant Accounting Policies:

1.1 Basis of preparation, measurement and significant accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

a. Basis of Preparation

Compliance with Accounting Standards

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 and relevant provisions of the Companies Act, 2013 ("the Act"). These are the Company's first Ind AS financial statements and accordingly, Ind AS 101, 'First-time Adoption of Indian Accounting Standards' has been applied. The policies set out below have been consistently applied during the year presented.

For all periods up to and including the year ended March 31, 2017, the Company prepared its financial statements in accordance with the Accounting Standards notified under Companies (Accounting Standard) Rules, 2006 (as amended) and other relevant provisions of the Act ("Previous GAAP").

These financial statements for the year ended March 31, 2018 are for the first time the Company has prepared in accordance with Ind AS. An explanation of how the transition from previous GAAP to Ind AS has affected the Company's financial position, financial performance and cash flows including reconciliations and descriptions of the effect of the transition are provided in note 2 below.

The financial statements are presented in 'Indian Rupees', which is also the Company's functional currency.

b. Revenue recognition

The Company has adopted Ind AS 115 Revenue from contracts with Customers with effect from April 01, 2018 which outlines a single comprehensive model for entities to use in accounting for revenue arising from contracts with customers. The standard replaces most of the current revenue recognition guidance. The core principle of the new standard is for companies to recognize revenue when the control of the goods and services is transferred to the customer as against the transfer of risk and rewards. As per the Company's current revenue recognition practices, transfer of control happens at the same point as transfer of risk and rewards thus not effecting the revenue recognition.

The amount of revenue recognised reflects the consideration to which the Company expects to be entitled in exchange for those goods or services.

As per the result of evaluation of contracts of the relevant revenue streams, it is concluded that the impact of this change is immaterial to the Company and hence no accounting changes have been done.

The Company has adopted the modified transitional approach as permitted by the standard under which the comparative financial information is not restated. The accounting changes required by the standard are not having material effect on the Company's standalone financial

statements and no transitional adjustment is recognised in retained earnings at April 01, 2018.

- (i) **Satellite & Theatrical Rights**
Satellite & Theatrical Rights are recognized by the company at the time of sale of the rights.
- (ii) **Interest income**
Interest Income is recognized on accrual basis.
- (iii) **Dividend Income**
Revenue is recognized by the company on receipt basis.
- (iv) **Rental Income**
Rental income is recognized on accrual basis.

c. Historical cost convention

The financial statements have been prepared under the historical cost convention, as modified, to the extent applicable, by the following:

d. Defined benefit plans

Short-term employee benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. These benefits include compensated absences such as paid annual leave and sickness leave. Short term employee benefits are recognised as an expense at the undiscounted amount in the Statement of Profit and Loss of the year /period in which the related service is rendered.

Defined contribution plans:

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. The Company makes specified monthly contributions towards Government administered provident fund scheme. Obligations for contributions to defined contribution plans are recognised as an employee benefit expense in the statement of profit or loss in the periods during which the related services are rendered by employees.

Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in future payments is available.

Defined benefit plans

1) Gratuity :

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

The calculation of defined benefit obligation is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a potential asset for the Company, the recognised asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan ('the asset ceiling'). In order to calculate the present value of economic benefits, consideration is given to any minimum funding requirements.

Re-measurements of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised in Other Comprehensive Income (OCI).

I) Gratuity : (Continued)

The Company determines the net interest expense (income) on the net defined benefit liability/(asset) for the period by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual period to the then-net defined benefit liability/(asset), taking into account any changes in the net defined benefit liability/(asset) during the period as a result of contributions and benefit payments. Net interest expense and other expenses related to defined benefit plans are recognised in the statement of profit or loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service ('past service cost' or 'past service gain') or the gain or loss on curtailment is recognised immediately in the statement profit or loss. The Company recognizes gains and losses on the settlement of a defined benefit plan when the settlement occurs.

II) Compensated absences (Other Long- term employment benefits)

The Company's net obligation in respect of long-term employee benefits other than post-employment benefits is the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value, and the fair value of any related assets is deducted. The obligation is measured on the basis of an annual independent actuarial valuation using the projected unit credit method.

Re-measurement gains or losses are recognised in the statement of profit or loss in the period in which they arise.

e. Leases

The Company's lease asset classes primarily consist of leases for office premises and Land. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- i. The contract involves the use of an identified asset
- ii. The Company has substantially all of the economic benefits from use of the asset through the period of the lease and
- iii. The Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of 12 months or less (short-term leases) and low value leases. For these short-term and low-value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

ROU assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. ROU assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable

amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are re-measured with a corresponding adjustment to the related ROU asset if the Company changes its assessment of whether it will exercise an extension or a termination option.

f. Income tax

Income tax comprises current and deferred tax. It is recognised in standalone statement profit or loss except to the extent that it relates to a business combination or to an item recognised directly in equity or in other comprehensive income.

i. Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realize the asset and settle the liability on a net basis or simultaneously.

ii. Minimum Alternate Tax (MAT)

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustments to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the balance sheet when it is probable that future economic benefits associated with it will flow to the Company.

From the Financial Year 2020-21, the Company has opted to be taxed u/s 115BAA of the Income Tax Act, 1961. In view of this, MAT credit will not be claimed in future years.

iii. Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for unused tax losses, unused tax credits and all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they are related to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity respectively

g. Measurement of fair values

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- I. Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- II. Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- III. Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

The assets and liabilities reported in the Balance Sheet are classified on a “current/non-current basis”, with separate reporting of assets held for sale and liabilities. Current assets, which include cash and cash equivalents, are assets that are intended to be realized, sold or consumed during the normal operating cycle of the Company or in the 12 months following the Balance Sheet date; Current liabilities are liabilities that are expected to be settled during the normal operating cycle of the Company or within the 12 months following the close of the financial year.

h. Foreign currency translation:

i. Functional and presentation currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the Company operates (‘the functional currency’). The financial statements are presented in ‘Indian Rupees’ (INR), which is the Company’s functional and the Company’s presentation currency

ii. Transactions and balances

- (I) Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions.

- (II) All exchange differences arising on reporting of short term foreign currency monetary items at rates different from those at which they were initially recorded are recognised in the Statement of Profit and Loss.
- (III) Non-monetary items denominated in foreign currency are stated at the rates prevailing on the date of the transactions / exchange rate at which transaction is actually effected.

i. Property, plant and equipment

Property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Expenditure incurred on assets which are not ready for their intended use comprising direct cost, related incidental expenses and attributable borrowing cost are disclosed under Capital Work-in-Progress.

Transition to Ind AS:

On transition to Ind AS, the Company has elected to avail historical cost of all of its property, plant and equipment recognised as at April 1, 2017 as deemed cost.

Depreciation methods, estimated useful lives and residual value:

Depreciation is provided to the extent of depreciable amount on Straight Line Method (SLM) based on useful life of the assets as prescribed in Part C of Schedule II to the Companies Act, 2013.

Estimated useful lives, residual values and depreciation methods are reviewed annually, taking into account commercial and technological obsolescence as well as normal wear and tear and adjusted prospectively, if appropriate.

j. Impairment of non-financial assets

Assets that are subject to depreciation or amortization are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's or cash generating unit's carrying amount exceeds its recoverable amount and is recognised in the Statement of Profit and Loss.

k. Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, demand deposits with banks, short-term balances (with an original maturity of three months or less from date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

l. Investments and other financial assets

i. Classification

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held.

The Company reclassifies debt investments when and only when its business model for managing those assets changes.

ii. Measurement

At initial recognition, the Company measures a financial asset at its fair value, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

iii. Transition to Ind AS:

On transition to Ind AS, the Company has elected to avail at historical cost of all of its financial assets recognized as at April 1, 2017.

iv. Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

v. Derecognition of financial assets

A financial asset is derecognised only when:

- I. the rights to receive cash flows from the asset have expired, or
- II. the company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows to one or more recipient

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the company has not retained control of the financial asset. Where the company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

m. Trade Receivables

Transition to Ind AS:

Trade receivables are recognized at historical cost as at April 1, 2017 as deemed cost.

n. Inventories

Transition to Ind AS:

On transition to Ind AS, the Company has elected to avail historical cost of all of its inventories recognised as at April 1, 2017 as deemed cost.

o. Financial liabilities

- I. Classification as debt or equity
 - i. Debt and equity instruments issued by the company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definition of a financial liability and an equity instrument.
 - ii. An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities.
- II. Initial recognition and measurement
 - i. All financial liabilities are recognised initially at historical cost

- ii. The Company's financial liabilities include borrowings from group companies and trade payables.
 - III. Subsequent measurement
The measurement of financial liabilities depends on their classification.
 - IV. Transition to Ind AS
On transition to Ind AS, the Company has elected to avail historical cost of all of its financial liabilities recognised as at April 1, 2017 as deemed cost.
 - V. De-recognition
A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.
- p. Provisions, Contingent Liabilities and Contingent Assets:**
- Provisions
Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events; it is probable that an outflow of resources will be required to settle the obligation; and the amount has been reliably estimated.
- Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.
- Contingent liabilities
Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. A present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or reliable estimate of the amount cannot be made, is termed as contingent liability.
- Contingent Assets:
A contingent asset is disclosed, where an inflow of economic benefits is probable.
- q. Earnings per share**
In determining earnings per share, the company considers the net profit after tax and includes the post-tax effect of any extraordinary items. The number of shares used in computing basic earnings per share is the weighted average number of shares outstanding during the period.
- r. Cash flow statement**
Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.
- s. Use of Estimates**
The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires the management of the Company to make estimates and assumptions that affect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the

reported amounts of income and expense for the periods presented.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

Key sources of estimation of uncertainty at the date of the financial statements, which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, is in respect of impairment of investments, useful lives of property, plant and equipment, valuation of deferred tax assets, provisions and contingent liabilities.

t. Current versus non-current classification

The assets and liabilities reported in the Balance Sheet are classified on a “current/non-current basis”, with separate reporting of assets held for sale and liabilities. Current assets, which include cash and cash equivalents, are assets that are intended to be realized, sold or consumed during the normal operating cycle of the Company or in the 12 months following the Balance Sheet date; Current liabilities are liabilities that are expected to be settled during the normal operating cycle of the Company or within the 12 months following the close of the financial year.

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

- ▶ An asset is treated as current when it is:
- ▶ Expected to be realised or intended to be sold or consumed in normal operating cycle
- ▶ Held primarily for the purpose of trading
- ▶ Expected to be realised within twelve months after the reporting period, or
- ▶ Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- ▶ It is expected to be settled in normal operating cycle
- ▶ It is held primarily for the purpose of trading
- ▶ It is due to be settled within twelve months after the reporting period, or
- ▶ There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

u. Cost Recognition

Costs and expenses are recognised when incurred and have been classified according to their nature.

The costs of the Company are broadly categorised in purchase of goods, employee benefit expenses, finance costs, depreciation and amortisation and other operating expenses. Employee benefit expenses include employee compensation, allowances paid, contribution to various funds and staff welfare expenses. Other operating expenses mainly include fees to its external consultants, cost of running its facilities, travel expenses, communication costs, allowances for delinquent receivables and advances and other expenses. Other expenses is an aggregation of costs which are individually not material such as commission and brokerage, recruitment and training, entertainment etc.

 - b. Contingent Liabilities as may arise due to delayed /non-compliance of certain fiscal statutes – Amount Unascertainable (Previous year-Amount Unascertainable).
31. The Management of the Company has decided to reduce its focus of Wellness activities and concentrate on Films, Media and TV Channel business. Accordingly, it has been decided to terminate the Company's agreements with two parties to whom security deposits have been given and utilize the resources so realized for Entertainment business. Accordingly, the Company is in discussions with both the parties for the refund of the said security deposit along with interest after necessary adjustments if any as agreed mutually. On the said grounds, the Company has requested SEBI to withdraw forensic audit & also uplift the restriction on promoters as well as directors to not to transfer or sell the shares held by them, though our promoter do not intend to sell any share. Further the Company has not recognized interest income amounting to Rs. 4824.28 lacs on the security deposit given. The Company has not provided for rentals payable to one of the Company amounting to Rs. 1192.64 for the premises being used in lieu of the unreceived interest income. In case of one of the Company, provisional liquidator has been appointed. In respect of the other Company, only principal recovery is currently being done and based on conservative approach, the Company has decided to recognise the said income only on receipt basis of such income. Further, the Company also contemplates certain adjustments from the said Companies which is currently under discussion.
32. a. The Company had given an interest-free Security Deposit of Rs 1,500 Lacs to Shree Ram Urban Infrastructure Ltd (SRUIL) as per Memorandum of Understanding (MoU) for establishment and running of wellness centre in the upcoming project of SRUIL, as per the terms of which the Company is entitled to share revenue with SRUIL/society for a specific period. However, the Company was in advanced discussion with the said party for refund of deposit but now the Company has gone into liquidation and provisional liquidator has been appointed.
- b. The Company had entered into a Revenue Sharing Agreement for occupying commercial spaces of SKM Real Infra Limited (formerly SKM Fabrics (Andheri) Ltd.) (SKM). As per the Agreement, the Company had given an interest-free Security Deposit to SKM in relation to running business of Wellness Academy, other allied activities and Films, Media and TV Channel etc. The Company had acquired larger space in the past and thus on non-usage of such larger spaces, the same was returned to SKM and certain portion of deposit was received back from SKM. The closing balance of the said deposit as on 31st March 2022 is Rs. 2,218.28 lakhs which is higher than the space occupied by the Company. The Management has evaluated that the deposit for the space occupied by the Company should be approximately Rs. 1,000 lakhs. Hence, the Company is in advanced discussion with SKM for proportionate refund i.e., Rs. 1218.28 lakhs and is hopeful for recovery in near future.
33. The Company has not carried out actuarial valuation as per the recommendations of Ind AS 15 issued by ICAI, and instead provided for Gratuity on accrual basis as per Management Estimates. The management is of the opinion that the provision created in the books is sufficient considering the number of employees & it has provided the same in current year on ad-hoc basis. Provision towards retirement benefits has been considered in the Company's books, as per the recommendations of the Indian Accounting Standard - 15, Employee Benefits given in table below: -

40. Fair value measurements

(a) Financial instruments by category

The Company does not have any financial assets or liabilities which are measured at FVTPL or FVOCI they are measured at Amortised cost.

(Rs. in lacs)

Particulars	2021-22	2020-21
Financial assets		
Investments	2.61	7.64
Other financial assets	3,987.06	3,718.72
Trade receivables	2.93	9.95
Loans	-	295.15
Cash and cash equivalents	4.76	27.06
Total financial assets	3,997.36	4,058.53
Financial liabilities		
Trade payables	214.80	227.44
Borrowings	967.14	918.90
Other financial liabilities	254.00	254.00
Total financial liabilities	1,435.94	1,400.34

Carrying value of all the above financial assets and financial liabilities as at March 31, 2022, and March 31, 2021 approximate the fair value because of their short-term nature. Difference between carrying amounts ad fair values of the said assets and liabilities subsequently measured at amortized cost is not significant in each of the years presented.

(b) Fair value hierarchy

This section explains the judgments and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the company has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

(c)Valuation technique used to determine fair values

The carrying amount of current financial assets and liabilities are considered to be the same as their fair values, due to Difference between carrying amounts ad fair values of the said assets and liabilities subsequently measured at amortized cost is not significant in each of the years presented.

The fair value of security deposits and borrowings has been considered same as carrying value since there have not been any material changes in the prevailing interest rates. Impact on account of changes in interest rates, if any has been considered immaterial.

Note

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices.

Level 2: The fair value of financial instruments that are not traded in an active market (for example over-the-counter derivatives) is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities which are included in level.

There were no transfers between any levels during the year.

41. Financial risk management

The Company's business activities expose it to a variety of financial risks, namely liquidity risk, market risks and credit risk.

Risk	Exposure arising from	Measurement	Management
Credit Risk	Cash and cash equivalents, financial assets measured at amortised cost.	Aging analysis	Diversification of bank deposits
Liquidity Risk	Borrowings and other liabilities	Rolling cash flow forecasts	Availability of committed credit lines and borrowing facilities

(a) Credit risk

The company is exposed to credit risk, which is the risk that counterparty will default on its contractual obligation resulting in a financial loss to the company. Credit risk arises from cash and cash equivalents and financial assets carried at amortised cost

Credit risk management

Credit risk is managed at company level depending on the policy surrounding credit risk management. For banks and financial institutions, only high rated banks/institutions are accepted. Generally, all policies surrounding credit risk have been managed at company level.

(b) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying businesses, company treasury maintains flexibility in funding by maintaining availability under committed credit lines.

Management monitors rolling forecasts of the company's liquidity position and cash and cash equivalents on the basis of expected cash flows. This is generally carried out at local level in the operation of the company in accordance with practice and limits set by the company.

Maturities of financial liabilities

The amounts disclosed in the below are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

The Company has provided some details to the Forensic Auditor and further working on the requirements given by Forensic Auditor. The Company had a hearing before SAT on 08.02.2019 and the matter stands over to next hearing dated 12.03.2019 in which the Company and SEBI are directed to bring out the latest position relating to the ongoing forensic audit. Further, in the hearing dated 25.04.2019, an undertaking was given by BSE officials that the Forensic Audit Report will be issued before 15.06.2019. However the said report was not received by the Company. The Company, its current & then Directors along with CFO's have received a Notice from SEBI regarding the details furnished by Forensic Auditor to SEBI on 17.02.2020 and a legal counsel has been hired by the Company to respond on it. Response was filed by the Legal Counsel and a hearing was fixed for 9th December'2020 with WTM of SEBI for the same. Officials of the Company have attended the hearing with the Legal Counsel on 9th December'2020 and the matter is pending with SEBI. Company was in discussion with Legal Counsel and filed a Settlement Scheme with SEBI for which application for the Company and officials was made. Subsequently, SEBI had provided penalty amount under the Settlement Scheme which was declined by the Company. The Company is in receipt of the Final Order from SEBI dated: 20.01.2022, in which the company and officials have been penalized under various sections wherein the Company has to pay penalty of Rs 34 Lacs.
