Release – 7th November, 2016

A vazandar star cast for a 'VAZANDAR' story

"LANDMARC FILMS" a division of Landmarc Leisure Corporation Limited, is a multidisciplinary production house setup with the intention of creating fresh, relevant & riveting high-quality content for films, digital media, television, commercial production & live events.

The upcoming film 'Vazandar' is a fun-filled ride that showcases the weight-loss journey of two plump women. The trailer of the film was recently launched on social media and the film is slated for a November 11, 2016 release.

Produced by Landmarc Films' Vidhi Kasliwal; written and directed by Sachin Kundalkar, 'Vazandar', which releases on November 11, 2016 features the stylish Sai Tamhankar and the pretty Priya Bapat as well as new sensation Chetan Chitnis along with the handsome Siddharth Chandekar. The film also stars, yesteryear cricketer Sandip Patil's son, Chirag Patil, Sai and Priya's first look left many speechless, generating curiosity about the film among cinegoers.

The glam-girls put on weight especially for this film, which shows in the trailer. Of course the film is about them trying to go from fat to fit but the reason that prompts such a step, has been kept a secret as of now. A saree-clad Sai and a girl-next-door Priya have great onscreen chemistry.

Apart from all this, the film presents a viewpoint that makes you think. There's more to life than putting on or losing weight and that's what the film tells us. From the trailer, it is apparent that 'Vazandar' will change the perspective of many.

The film's tagline, '*Jya baarik nastat, tya jaadach astat*' (Fat are they, who aren't slim), says a lot and as expected, the trailer has caught attention for the much anticipated post-Diwali release.
