## A Record-win for Marathi Film 'Redu' : Release on May 18, 2018

- Presenter Vidhi Kasliwal to release this movie

*Redu is the humorous, bitter-sweet journey of a village simpleton and his undying attachment to his "Redu". REDU is a story of TATU and his family, set in the mid 1970's when this marvel of an innovation - the radio - first came to India and made its way to this humble Konkan village and brought with it many-a-wonder and excitement!*

Redu is a movie directed by Sagar Vanjari featuring Shashank Shende, Chhaya Kadam, Mrunmayee Supal, Gauri Konge, Vinamra Babhal and produced By Navalkishor Sarda, Vidhi Kasliwal. Redu takes place in a village in the Konkan region of Maharashtra in 1972. Tatu lives an ordinary life like anyone else in the village. One day, he comes across a radio, carried by his brother-in-law. He gets hold of a radio which becomes his most prized possession and neighbours' envy. His life turns upside-down after he loses the radio. The film is a simple story of one man's life, love, values, and his will to go on, framed against the spectacular backdrop of rural India.

Marathi film Redu has done a hat trick of participations at popular international film festivals. The film was screened in the Indian Panorama at the *International Film Festival of India* (IFFI), the only Marathi film at the *Kolkata International Film Festival* and the only Indian film to be screened at the *Cairo International Film Festival* in Egypt. The film has received Sanskruti Kaladarpan Awards in the category 'best supporting actress'. It won the '**Best Film by a debutant**' at the *Aravindan Puraskaram* (Chalachitra Academy, Kerala). The film has bagged awards in 7 categories including '**Best Film**' at the 55<sup>th</sup> Maharashtra Rajya Chitrapat Mahotsav 2018 'State awards' and also won the '**Best Feature Film**' at the prestigious Dadasaheb Phalke Film Festival.

Redu has already been making its mark on the national and international stage. This light-hearted episode brings back memories of the classic television series, *Malgudi Days*. The peppy background score also adds to the period drama effect. The visuals of a simple village are pleasing to the eye, a constant treat to Marathi cinema lovers.

Releasing on **18th May 2018** all across Maharashtra, "Redu" is Presented by Vidhi Kasliwal's Landmarc Films and Produced by Navalkishor Sarda of Naval Films in association with Blink Motion Pictures Pvt. Ltd.

"LANDMARC FILMS" a division of Landmarc Leisure Corporation Limited, is a multidisciplinary production house setup with the intention of creating fresh, relevant & riveting high-quality content for films, digital media, television, commercial production & live events.
