Tribunal raps MoEF over green norms compliance

THE NATIONAL GREEN Tribunal has rapped the Ministry of Environment and Forests (MoEF) over compliance of conditions mentioned in environmental clearance granted for projects, saying the mechanism for monitoring environmental norms is inadequate.

The green panel said compliance of conditions of environmental clearance must be monitored on periodical basis, at least once in a quarter. A bench headed by NGT chairperson Justice A.K. Goel said there was poor monitoring and there were huge gaps in laying down of conditions and its enforcement.

It asked the environment ministry to review and strengthen the mechanism for the purpose. The tribunal took note of an affidavit filed by the ministry which mentioned that there are certain proposals to strengthen the monitoring mechanism. The NGT said this only showed insensitivity to the vital constitutional obligation despite repeated directions.

Repeated plea of ministry having said proposals, without effective enforcement on the ground can hardly be held to be satisfactory, the bench said. —PTI
